ELSTEAD LIGHTING >

Elstead Lighting have just released 300 new products in their 2018 Supplement Catalogue. Among the collection are many ideal fittings for the hospitality sector, including portables, ceiling and wall fixtures. Featured here is the Pippin wall light, IP44 rated for use in bathrooms. The beautiful sparkle from the cylindrical White Sugar glass shade makes a bold design statement. Although it is suitable for use in bathrooms, its sleek profile would make it a perfect addition to bedrooms and hallways alike.

BRIGHT GOODS >

The Bright Goods 'Carbonised' LED Filament Lamp Range are designer-induced, decorative lamps that are housed inside sepia-toned glass covers, evoking luxury as they enhance the warm, familiar glow associated with traditional filament lighting. The range is dimmable, making them perfect for all hospitality environments looking to create and control an atmospheric, welcoming interior. Available in a variety of shapes, they can be seen in several hotels and restaurants.

CHELSOM >

More than two years of in-house design led by Robert and Will Chelsom has resulted in the launch of Chelsom's brand new collection, Edition 26.

The catalogue is more than just a product selector, it encapsulates the Chelsom brand image in addition to showcasing a multitude of beautifully designed new products as well as some older classics covering contemporary and traditional styles.
