'Pick' of the best!

Chelsom supply lighting for Movenpick Paris.

Chelsom have once again been commissioned to supply the lighting for Movenpick Hotel, this time it was for the extensive refurbishment of the superior four star Movenpick Hotel Paris Neuilly which is located in the heart of Paris with views of the Eiffel Tower as well as the Arc de Triomphe.

Chelsom collaborated with teams at ARA Design and Chandler KBS, who project managed the complex roll out plan. They had to ensure that all the stringent French regulations were adhered to for the renovation of the 281 guestrooms and suites within the hotel.

A lighting solution was developed to give the utmost in terms of style and functionality and in keeping with the wider interior scheme to effortlessly balance the contemporary design with the elegant atmosphere of Parisian chic.

They have incorporated a mixture of some existing fittings with standard products from Chelsom's own collection as well as customer designed pieces which have the specification of the team at ARA Design.

They have custom-designed pendants which feature striking French Drum shades in off-white silk with black trim for the bedside lighting, which are suspended from the ceiling and supported from the wall giving the illusion they hover above the bedside tables. LED

reading lights in Polished Chrome with bullet heads were also specified along with inverted wall lights, providing the perfect balance of functionality and design for the bedside lighting requirements. Stylish cone shaped shade fittings

LED reading lights in Polished Chrome with bullet heads were also specified along with inverted wall lights, providing the perfect balance of functionality and design.

were chosen for the wall lighting while standard Chelsom floor and table lamps from the 'Swing' range were customised to give a much more elegant look in keeping with the interior scheme and were teamed with colour matching shades in off white to compliment the colour palette of the guestrooms whilst offering ambient lighting to enhance the guest experience.
